

## enMotion® Wall Mount Automated Touchless Towel Dispenser

Using technology to improve hygiene, enhance image, and control costs.

### Item Description:

Finally, a reliable and affordable automated touchless towel dispenser. enMotion® high-capacity towel system helps reduce the number of service visits and dispenses a single towel by putting your hand in motion. Powered by four long-lasting standard D-cell batteries providing for easy and low maintenance requirements, this next generation of automated, touchless dispensing provides a cleaner, more hygienic environment, significantly lower waste and reduced maintenance. enMotion is a sleek solution to an age-old problem. \*Only available via one time, lifetime, Lease Agreement with GP or authorized distributor.

### Features & Benefits:

- » *Automatic, touch free or touch-free dispensing prevents cross-contamination for a more hygienic washroom*
- » *Adjustable settings for sheet length, time delay, sensor range and dispensing mode controls usage and increases operational efficiency*
- » *High tech functionality, sleek styling and quality toweling make positive statements about your facility*
- » *High-capacity system and paper transfer mechanism provide continuous service while reducing maintenance costs*
- » *Multiple power options - 4 Standard D-Cell batteries (included) or optional AC power adapter*
- » *Perfect for washrooms or installation above food prep or kitchen sinks.*
